**OFFICE ADVANTAGE**

Fast, Friendly & so Easy!

**Prevent Office Chairs From Rolling & Protect PRC!!!**

### 5 Point

*Fits Office Chairs*

DeckMates provide a safe alternative to wheeled chair casters and prolong the life of expensive PRC decking. To install, simply pull out the old office chair casters by hand and insert DeckMates into the base of your office chairs. No tools required to install our original 5 Point DeckMates. Sold 5 per set. More photos available at [deckmates.com](http://deckmates.com).

### 4 Point 1

*Fits Most NSN Chairs*

Our 4 Point 1 DeckMates fit most NSN chairs used by the US Navy. Simply remove any old base glides if still attached with pliers or a glide remover and then tap the DeckMates into place using a rubber mallet. Fits 1-1/8 in x 1-1/8 in chair leg openings. Sold 4 per set, glide remover available.

### 4 Point 2

*Fits Chairs per Photo*

Our new & improved 4 point 2 DeckMates are designed for chairs with a base as in the photo at right. Fits 3/4 in x 3/4 in chair leg opening. Sold 4 per set. Please see our website for our product selection guide.

*"No more unsightly tennis balls!"*

### **Replaceable Base Pads**

All three styles of DeckMates are compatible with the same replacement base pads. Once the felt covered base pads become worn out, simply unscrew and replace. No tools are necessary. Recommended replacement cycle is 3 years. More info is available online.

### **Product Details**

DeckMates are designed specifically for the US Navy to improve safety, eliminate rolling chairs, and protect PRC decking. DeckMates are \$24.99 per set. One set equips one chair. The felt base pad is replaceable. CONUS delivery is included. Credit card only, not available on MILSTRIP. DeckMates are easy to install with thousands of sets already sold and deployed. DeckMates have been successfully tested for over six years and are distributed by Office Advantage, Inc. in San Diego, California.
